“When you’re in an accident, it’s hard to remember what to do. Keep this little pamphlet handy (in your glove box) to help you through.”

**WHAT TO DO WHEN YOU HAVE AN ACCIDENT**

- 1. As best you can, protect yourself, your auto and any other property from further damage.**
- 2. You should call the police as soon as possible if someone is injured, damage is extensive, your vehicle has been stolen, or if you need assistance.**
- 3. Don’t say you’re liable, or if anyone asks you to sign a statement, don’t unless it’s authorized by The ERIE.**
- 4. Take the time to fill out the information on this card while you are at the accident scene. This will help you later when you fill out the formal CLAIM REPORT that you need to file with your Agent or one of ERIE’s offices.**
- 5. Report the claim to your Agent or ERIE’s closest branch office as soon as possible. For your convenience, you can also report the claim on ERIE’s Web site at [www.erieinsurance.com](http://www.erieinsurance.com). Click on “Access ERIE” and then “Claim Reporting” to find the CLAIM REPORT form. And remember, under ERIE’s auto policy if you don’t report the claim to ERIE or your Agent as soon as possible, an unconditional discharge of coverage can result.**
- 6. If you are a commercial driver, let your employer know about the accident right away.**
